1. [Finding 1]
2. [Finding 2]
3. [Finding 3]

Section 3: Definitions For the purposes of this Act:

1. [Term 1]: [Definition]
2. [Term 2]: [Definition]
3. [Term 3]: [Definition]

Section 4: Purposes The purposes of this Act are to:

1. [Purpose 1]
2. [Purpose 2]
3. [Purpose 3]

Section 5: Provisions (a) [Provision 1] (b) [Provision 2] (c) [Provision 3]

Section 6: Implementation (a) The [Department/Agency] shall [Implementation Measure]. (b) The [Department/Agency] shall [Additional Measure].

Section 7: Effective Date This Act shall take effect on [Effective Date].

Section 8: Miscellaneous Provisions (a) [Provision 1] (b) [Provision 2]

EXAMPLE COMPLETED BILL

Bill Number: H.R. 123

Title: The Clean Energy Advancement Act

Sponsor: Representative Jane Doe

Date Introduced: January 15, 2024

Section 1: Short Title This Act may be cited as the “Clean Energy Advancement Act.”

Section 2: Findings Congress finds that:

- Climate change poses significant risks to our environment and public health.
- Investment in clean energy technologies is essential for reducing greenhouse gas emissions.
- The current federal policies are insufficient for meeting our long-term climate goals.

Section 3: Definitions For the purposes of this Act:

- Clean Energy: Energy derived from renewable sources that do not deplete natural resources or harm the environment.
- Greenhouse Gas Emissions: Emissions of carbon dioxide, methane, and other gases that trap heat in the atmosphere.
- Renewable Energy: Energy generated from natural processes that are continually replenished, such as solar or wind power.

Section 4: Purposes The purposes of this Act are to:

- Promote the development and deployment of clean energy technologies.
- Reduce the nation’s greenhouse gas emissions by 50% by 2030.
- Support job creation in the renewable energy sector.

Section 5: Provisions (a) The Department of Energy shall allocate \$10 billion in grants for clean energy research and development. (b) The Environmental Protection Agency shall establish regulations to reduce greenhouse gas emissions from industrial sources. (c) The Department of Labor shall fund job training programs for workers transitioning to the renewable energy sector.

Section 6: Implementation (a) The Department of Energy shall issue grant applications by April 1, 2024. (b) The Environmental Protection Agency shall finalize emission regulations by July 1, 2024.

Section 7: Effective Date This Act shall take effect on January 1, 2025.

Section 8: Miscellaneous Provisions (a) The Act shall be reviewed every five years to assess its impact and effectiveness. (b) If any provision of this Act is found to be invalid, the remaining provisions shall remain in effect.
